2010
MANKAS CREST
DRY ROSÉ WINE

SUISUN VALLEY
CALIFORNIA

The blush wine extracted from the grapes of the early harvest of our 2010 Cabernet Sauvignon fermented in oak barrels has created this pleasant dry rosé wine. Exposure to oak was short, bottle aging lasting 6 months, which resulted in a light fragrant and refreshing wine reminiscent of best Italian rosés.

Winemaker's Comments: *"Light, refreshing, fruity and invigorating with a texture reminiscent of sparkling wines, this Cabernet Sauvignon rose' is what you want to drink with your meals in warm days from spring to fall. The grapefruit light red color gives way to a fragrant crispiness scented of watermelon, cassis, vanilla and eucalyptus. Drink it chilled with simple foods."*
